Flashes of memory, humorous anecdotes, heart-warming poetry. Antonia Urduja Roberts pulls us into her multitudinous world in this sometimes melancholy yet greatly uplifting memoir. A widely travelled spiritual woman, Antonia tells of her life from her birth in the Philippines to her teenage years in Germany and beyond as she learns how to balance traditional Filipino mystical folklore with the Catholicism imposed by the conquistadors of earlier times. Antonia gradually learns to adapt to life in late twentieth-century Europe, mixing dreams with reality. Antonia navigates the dangerous pathways of life, tackling her inner demons in an unsure world and philosophising on life, love and religion.

Are the works of contemporary Japanese novelists as Nobel Prize winner Ōe Kenzaburō has observed mere reflections of the vast consumer culture of Tokyo and the subcultures of the world at large, or do they contain their own critical components, albeit in altered form? Ōe and Beyond surveys the accomplishments of Ōe and other writers of the postwar generation while looking further to examine the literary parameters of the post-Ōe generation. Despite the unprecedented availability today of the work of many of these writers in excellent English translations, some twenty years have passed since a collection of critical essays has appeared to guide the interested reader through the fascinating world of contemporary Japanese fiction. Ōe and Beyond is a sampling of the best research and thinking on the current generation of Japanese writers being done in English. The essays in this volume explore such subjects as the continuing resonances of the atomic bombings, the notion of transnational subjects, the question of the de-canonization as well as the re-canonization of writers, the construction and
